

Did you know?

Each day 10,000 humans are born in the U.S. – and each day 70,000 puppies and kittens are born. As long as these birth rates exist, there will never be enough homes for all the animals. As a result, millions of healthy, loving cats, dogs, kittens and puppies face early deaths as a form of animal control. Others are left to fend for themselves against automobiles, the elements, animals and cruel humans. What can you do to stop the suffering? **Spay and neuter your pets!**

If you need assistance, call CATsNAP at 217-353-5243 or Champaign County Animal Control at 217-384-3798; together we can make a difference.
